ACT Rochester's purpose is to change the culture of community problem-solving and associated decision making through the use of credible, independent and timely data. This is accomplished when people **LEARN** about key issues, **CONNECT** with others in the community, and **ACT** to promote change.

ACT Rochester provides an objective assessment of the nine-county region's performance on key indicators of well-being. The website creates a "one stop shop" for data and analysis, over 100 indicators, as well as links to more than 300 community initiatives and resources.
